

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER EL PASO

Operating Policy and Procedure

HSCEP OP: 56.01, 1.4.19 **AUTHORIZED SOFTWARE**

PURPOSE:

REVIEW:

POLICY/PROCEDURE:

1. Installation of any software must have a justifiable business purpose and must be properly licensed. For a list of approved software contact the El Paso IT Helpdesk. Software that is required (e.g., McAfee VirusScan) must not be removed. Each system should be set to automatically receive Microsoft Updates. The CIO, or designee, reserves the right to remove any software that poses a threat to TTUHSC El Paso computers or to the operation of the network.
