PURPOSE:
This policy provides information regarding the University’s prevention and education efforts related to sex discrimination, sexual harassment, nonconsensual sexual contact, nonconsensual sexual intercourse, sexual assault, sexual exploitation, public indecency, Sexual Misconduct, interpersonal violence, and stalking. The policy provides students and employees with their rights and options and also explains how the University will proceed once it is made aware of allegations of prohibited conduct in keeping with the University’s values and in order to meet the legal obligations of Title VII, Title IX, the Violence against Women Act (VAWA), the Campus Sexual Violence Elimination Act (SaVE), Texas Education Code, Section 51.9363, and other applicable law.

REVIEW:
This HSCEP OP will be reviewed in October of odd-numbered years (ONY) by the managing director of the Office of Equal Employment Opportunity (EEO), the Title IX Coordinator, the Assistant Vice President of Student Services, and if different than the Title IX Coordinator, the Executive Director of Human Resources, with recommended revisions submitted to the Chief Financial Officer. Any substantive changes to this policy must be approved by the Board of Regents.

POLICY/PROCEDURE:

The University is committed to providing and strengthening an educational, working, and living environment where students, faculty, staff, and visitors are free from sex discrimination of any kind. In accordance with Title VII, Title IX, the Violence against Women Act (VAWA), the Campus Sexual Violence Elimination Act (SaVE), and other federal and state law, the University prohibits discrimination based on sex and other types of Sexual Misconduct. Sexual Misconduct is a broad term encompassing all forms of gender-based harassment or discrimination and unwelcome behavior of a sexual nature.

The term includes sexual harassment, nonconsensual sexual contact, nonconsensual sexual intercourse, sexual assault, sexual exploitation, stalking, public indecency, interpersonal violence, sexual violence, and any other misconduct based on sex. Any acts that fall within the scope of this policy hereinafter are referred to as Sexual Misconduct.

While sexual orientation and gender identity are not explicitly protected categories under state or federal law, it is the University’s policy not to discriminate in employment, admission, or use of programs, activities, facilities, or services on this basis. Discriminatory behavior is prohibited regardless of the manner in which it is exhibited, whether verbally, in writing, by actions, or electronically displayed or conveyed.

This policy applies to all University students and employees, visitors, applicants for admission to or employment with the University, as well as University affiliates and others conducting business on campus. This policy will apply to on-campus and off-campus conduct of which the University is made aware and which adversely impacts the educational and employment environments of the University. The University will take all reasonable steps to prevent recurrence of any Sexual Misconduct and remedy discriminatory effects on the Reporting Party and others, if appropriate.

All complaint investigations and procedures will be non-adversarial in nature and will be conducted in a prompt, fair, and impartial manner. Investigations conducted under this policy are not criminal investigations. For all complaints under this policy, the burden of proof shall be a preponderance of the
evidence, which means more likely than not.

The University expects all members of the University Community to comply with the law. Members of the University Community who violate these policies and laws may be subject to disciplinary action, up to and including termination of employment, expulsion from the University, or being barred from University premises and events.

For complaints relating to any form of discrimination not covered by this policy, see HSCEP OP 51.02 Non-Discrimination and Anti-Harassment Policy and Complaint Procedure for Violations of Employment and Other Laws.

1. Definitions

For purposes of this policy, the definitions below apply. However, some of these terms are also defined under state law. If a person would like to file criminal charges for any alleged violations of criminal law, the definitions provided in the links below may apply.

a. **Consent** – Mutually understandable words or actions, actively communicated both knowingly and voluntarily, that clearly conveys permission for a specific activity.

Consent is not effective if it results from: (a) the use of physical force, (b) a threat of physical force, (c) intimidation, (d) coercion, (e) incapacitation, or (f) any other factor that would eliminate an individual’s ability to exercise his or her own free will to choose whether or not to engage in sexual activity.

Consent is also defined in the context of criminal sexual assault in the Texas Penal Code, Chapter 22, Section 22.011: http://www.statutes.legis.state.tx.us/Docs/PE/htm/PE.22.htm.

b. **Employee** – Any person who receives a W-2 or 1042-S from the University, including full and part-time faculty, staff, and students.

c. **Incapacitation** – A state of being that prevents an individual from having capacity to give consent. For example, incapacitation could result from the use of drugs or alcohol, a person being asleep or unconscious, or because of an intellectual or other disability.

d. **Interpersonal Violence** – An offense that meets the definition of domestic violence or dating violence:

- **Domestic Violence** – Abuse or violence committed by a current or former spouse or intimate partner of the Reporting Party, by a person with whom the Reporting Party shares a child in common, by a person with whom the Reporting Party is cohabiting (or has cohabited) with a spouse or intimate partner, by a person similarly situated to a spouse of the Reporting Party under the domestic or family violence laws of the State of Texas, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the State of Texas.

Domestic Violence is also defined in Texas Family Code, Chapter 71, Section 71.004: http://www.statutes.legis.state.tx.us/docs/FA/htm/FA.71.htm.

- **Dating Violence** – Abuse or violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the Reporting Party. The existence of such a relationship will be determined based on the Reporting Party’s statement and with consideration of the type and length of the relationship and the frequency of interaction between the persons involved in the relationship. Two
people may be in a romantic or intimate relationship regardless of whether the relationship is sexual in nature; however, neither a casual acquaintance nor ordinary fraternization between two individuals in a business or social context shall constitute a romantic or intimate relationship. This definition does not include acts covered under domestic violence.

Dating Violence is also defined in Texas Family Code, Chapter 71, Section 71.0021: http://www.statutes.legis.state.tx.us/docs/FA/htm/FA.71.htm

e. **Public Indecency** – Engaging in private or sexual acts in a publicly viewable location, such that it is offensive to accepted standards of decency including, but not limited to:

   - Exposing one’s genitals or private areas;
   - Public urination;
   - Defecation; and/or
   - Public sex acts.

f. **Reporting Party** – A person or entity (in the case of the University) who submits a complaint alleging a violation of this policy.

g. **Responding Party** – Generally, the Responding Party is the person who is alleged to be responsible for the prohibited conduct alleged in a complaint.

h. **Responsible Employee** – A University employee who has the authority to take action to redress an alleged violation of this policy; who has been given the duty of reporting such allegations to the University Title IX Coordinator or Title IX Deputy Coordinators; or whom an individual could reasonably believe has this authority or duty.

   Responsible Employees include, but are not limited to:

   - Administrators;
   - Academic advisors;
   - Coaches, and other athletic staff who interact directly with students;
   - Faculty members, including professors, adjuncts, lecturers, instructors, and teaching assistants;
   - Student services personnel;
   - Graduate research assistants;
   - Residence life or community advisors;
   - Student organization advisors;
   - All supervisory personnel;
   - Human Resources personnel; and
   - The Texas Tech Police Department.

i. **Sex Discrimination** – An act that deprives a member of the University Community of his or her rights of access to campuses and facilities and of participation in education, services, programs, operations, employment, benefits or opportunities with the University on the basis of the person’s sex.

j. **Sexual Misconduct** – A broad term encompassing all forms of gender-based harassment or discrimination and unwelcome behavior of a sexual nature. The term includes sexual harassment, nonconsensual sexual contact, nonconsensual sexual intercourse, sexual assault, sexual exploitation, stalking, public indecency, interpersonal violence, sexual violence, and other misconduct based on sex.

k. **Sexual Assault** – Any type of sexual contact or behavior that occurs without the explicit
consent of the recipient. Sexual Assault includes non-consensual sexual contact and non-consensual sexual intercourse.

- Intentional contact with the breasts, buttock, groin, or genitals;
- Touching another with any of these body parts;
- Making another touch you or themselves with or on any of these body parts; or
- Any other intentional bodily contact in a sexual manner.

(2) **Non-Consensual Sexual Intercourse** – Sexual penetration or intercourse, however slight, with a penis, tongue, finger, or any object, and without consent. Penetration can be oral, anal, or vaginal.

The following offenses are examples of sexual assault: rape, incest, fondling, and statutory rape.

- **Rape** – The penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the Reporting Party.
- **Incest** – Non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- **Fondling** – The touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the Reporting Party, including instances where the Reporting Party is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity
- **Statutory Rape** – Non-forcible sexual intercourse with a person who is under the statutory age of consent.

Sexual Assault is also defined in Texas Penal Code, Chapter 22, Section 22.011: [http://www.statutes.legis.state.tx.us/Docs/PE/htm/PE.22.htm](http://www.statutes.legis.state.tx.us/Docs/PE/htm/PE.22.htm).

(3) Such conduct has the purpose or effect of interfering with the individual’s work or educational performance or of creating an intimidating, hostile, or offensive working or educational environment. To constitute an intimidating, hostile, or
offensive working or educational environment, the complained of conduct must be either severe or pervasive.

Examples of inappropriate behavior that may constitute unlawful sexual harassment or Sexual Misconduct include, but are not limited to:

- Sexual teasing, jokes, remarks, or questions;
- Sexual looks and gestures;

A “course of conduct” means two or more acts in which a person directly, indirectly or through third parties, by any action, method, device or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person or interferes with a person’s property. “Reasonable person” means a reasonable person under similar circumstances and similarly situated to the Reporting Party. “Substantial emotional distress” means significant mental suffering or anguish that may, but does not necessarily, require medical or other professional treatment or counseling.

o. **University Community** – All faculty, staff, and students of and visitors to any University premises or University-affiliated activity.

For acts of gender/sex discrimination, such as denial of employment, wages, or benefits based on gender/sex, that are not sexual in nature and do not constitute Sexual Misconduct as defined in this policy, please see HSCEP OP 51.02, Non-Discrimination and Anti-Harassment Policy and Complaint Procedure for Violations of Employment and Other Laws.

2. **Title IX Coordinator and Equal Employment Opportunity Office**

The University has a Title IX Coordinator who oversees the University’s compliance with Title IX, which prohibits discrimination based on sex. The University has also designated Title IX Deputy Coordinators for students and employees.

3. Reporting Sexual Misconduct

a. All students, employees, and third parties are strongly encouraged to promptly report any incidents of Sexual Misconduct to the University Title IX Coordinator, Title IX Deputy Coordinators, or Office of EEO.

b. Mediation will not be used to resolve complaints of Sexual Assault and Interpersonal Violence as defined in this policy.

c. All students, employees, and third parties may also report incidents of Sexual Misconduct to law enforcement, including on-campus and local police. Reporting Parties may choose to notify law enforcement and will be provided the assistance of a Title IX Coordinator, Title IX Deputy Coordinators, or Office of EEO in contacting these authorities if the individual wishes. For a list of Law Enforcement Agencies, please see Section 13 of this policy. Reporting Parties may also decline to notify law enforcement of incidents of Sexual Misconduct.

d. An individual who experiences any form of sexual, domestic, or dating violence is encouraged to seek immediate medical care. Also, preserving DNA evidence can be key to identifying the perpetrator in a sexual violence case. Victims can undergo a Sexual Assault Forensic Exam (SAFE) performed by a Sexual Assault Nurse Examiner (SANE).
to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, a SANE may still collect evidence up to 4 days following a sexual assault. With the examinee’s consent, the physical evidence collected during this medical exam can be used in a criminal investigation. To undergo a SAFE, go directly to the nearest emergency department that provides SAFE services. For more information about the SAFE, see [http://hopelaws.org/](http://hopelaws.org/) or [https://www.texasattorneygeneral.gov/cvs/sexual-assault-prevention-and-crisis-services](https://www.texasattorneygeneral.gov/cvs/sexual-assault-prevention-and-crisis-services).

e. An individual who experiences any form of Sexual Misconduct should also preserve other evidence relevant to the complained of activity, such as items of clothing, photographs, phone records, text messages, computer records, and other documents.

f. If an employee is a Responsible Employee and receives information about Sexual Misconduct, reporting is required. Responsible Employees have a duty to promptly report all known details of incidents of sex discrimination, sexual harassment, nonconsensual sexual contact, nonconsensual sexual intercourse, sexual assault, Sexual Misconduct, sexual exploitation, public indecency, interpersonal violence, and stalking to the University Title IX Coordinator, Title IX Deputy Coordinators, or Office of EEO. Responsible Employees are not confidential reporting resources.

g. Disclosures to licensed clinical and/or mental health professionals acting in their professional role in the provision of services are not subject to the foregoing mandatory reporting requirements. These employees include physicians, psychologists, nurses, counselors, and those performing services under their supervision. These employees are encouraged to provide students or employees with information and guidance regarding University reporting options and available resources but will not report or otherwise refer instances of sexual harassment/misconduct to University administrators without the student or employee’s express permission.

4. **Complaints by or against Students**

a. If a student has a complaint of Sexual Misconduct by another student, see Part IV, TTUHSCEP Institutional Student Handbook Student Code.

b. If a student has a complaint regarding Sexual Misconduct involving a student organization, see Part IV, TTUHSCEP Institutional Student Handbook Student Code.

c. If a student has a non-employment based complaint of Sexual Misconduct by an employee, see Part IV, TTUHSCEP Institutional Student Handbook Student Code. Alternatively, the student may contact the Office of Student Affairs or the Office of EEO. Student complaints of Sexual Misconduct by an employee will be investigated jointly by the Office of Student Services and the Office of EEO.

d. If a student employee has a complaint of Sexual Misconduct, which occurs during the course and scope of employment with the University, against an employee, the student should follow the procedure set forth for employees in this policy.

e. If an employee has a complaint of Sexual Misconduct against a student, the employee should contact the Office of Student Services and/or file an incident report form, found at the Office of Student Affairs website.

5. **Employee Complaint Procedures, Including Student Employees**

a. If an employee has a complaint of Sexual Misconduct against another employee, the general provisions relating to employees and the employee complaint procedures set
forth in HSCEP OP 51.02 shall apply. An employee having a complaint under this policy (HSCEP OP 51.03) should submit a completed Complaint of Sexual Harassment, Sexual Assault, or Sexual Misconduct form, which is available on the University’s Human Resources website at the following link: .

b. In addition, in complaints of Sexual Misconduct the following provisions shall control.

(1) While there is no deadline to file a complaint, to promote timely and effective review, the University strongly encourages individuals who believe they have experienced Sexual Misconduct to come forward promptly with their complaints and to seek assistance from the University. Delays in reporting can greatly limit the University’s ability to stop the Sexual Misconduct, collect evidence, and/or take effective action against individuals or organizations accused of violating the policy.

(2) Individuals wishing to remain anonymous can file a complaint in any manner, including by telephone or written communication, with the University Title IX Coordinator, a Title IX Deputy Coordinator or the Office of EEO. However, electing to remain anonymous may greatly limit the University’s ability to investigate an alleged incident, collect evidence, and/or take effective action against individuals or organizations accused of violating this policy.

(3) Mediation will not be used to resolve complaints of Sexual Misconduct.

(4) Both parties have the right to be accompanied by an advisor of the individual’s choosing during all meetings, proceedings, and/or disciplinary hearings at which the individual is present. The role of the advisor will be limited to being present only; advisors are not allowed to actively participate in the process.

(5) After the investigation is complete, the Office of EEO will simultaneously provide notice in writing to the Reporting Party, to the Responding Party, and to the appropriate administrators of the following:

- Determination of the outcome;
- The finding of the Office of EEO is final and not appealable by either party;
- In the event a finding of a violation of this policy is made, appropriate disciplinary action will be taken as determined by the appropriate administrator; and
- If either party disagrees with the imposed disciplinary action or lack thereof because the disciplinary action imposed substantially varies from the range of disciplinary actions normally imposed for similar infractions, he or she may appeal within 5 business days to the Title IX Coordinator. However, if the disciplinary action recommended is tenure revocation, proceedings will be pursuant to HSCEP OP 60.01.

(6) The Reporting Party and Responding Party will be simultaneously notified in writing of any changes to the results that occur prior to the time such results become final, and when such results become final.

6. Complaints Involving Non-University Individuals

a. If a non-University individual has a complaint of Sexual Misconduct by a student or University employee acting in the scope of his or her employment, the individual involved may file a report with either the Office of Student Affairs or the Office of EEO, and the University may investigate and take steps to address the situation.

b. If a University employee or student has a complaint of Sexual Misconduct by a non-
University party that affects the employee’s work environment or student’s educational program or activity, the employee or student may make a report to the Title IX Coordinator, Title IX Deputy Coordinators, Office of EEO, or Office of Student Services. The University may conduct an inquiry and take action, if possible, to prevent further misconduct. However, the University’s response may differ for complaints regarding third parties based on the level of control the University has over the third party. Even though the University’s ability to take direct action against a third party may be limited, the University may take steps to provide appropriate remedies for the employee or student and, where appropriate, the broader University Community.

7. Retaliation

Retaliation against a person who reports a potential violation under this policy, assists someone with a report of a violation, or participates in any manner in an investigation or in the resolution of a complaint made under this policy is strictly prohibited and will not be tolerated. Retaliation includes, but is not limited to threats, intimidation, reprisals and/or adverse actions related to an individual's employment or education. The University will take appropriate steps to assure that a person who in good faith reports, complains about, or participates in an investigation pursuant to this policy will not be subjected to retaliation. Individuals who believe they are experiencing retaliation are strongly encouraged to lodge a complaint with the University using the same procedure outlined in this policy.

Individuals who are found to have retaliated under this policy will be subject to disciplinary action, up to and including termination of employment, expulsion from the University, or being barred from University premises and events.

8. Interim Measures

The Reporting Parties may request and the University may implement interim measures, as may be necessary to assure the safety and well-being of the participants in the complaint process, to maintain an environment free from harassment, discrimination, or retaliation, and to protect the safety and well-being of the University Community. Appropriate University officials will decide if and what interim measures are necessary. Such interim measures may include, but are not limited to:

- Separating the Reporting Party’s and Responding Party’s academic or working situations;
- Forbidding contact between parties involved in a complaint;
- Suspending the right of the Responding Party to be present on campus or otherwise altering the University status of the Responding Party.

Other interim measures may be implemented depending upon the Responding Party’s relationship with the University. These interim measures may be kept in place through the conclusion of any review, investigation, or appeal process. Interim measures can be implemented regardless of whether or not the Reporting Party pursues formal University or criminal action.

9. Confidentiality

The confidentiality of both the Reporting Party and the Responding Party will be honored by the University to the extent possible without compromising the University's commitment and obligation to investigate allegations of Sexual Misconduct, to protect the University Community, and to the extent allowed by law. However, because the University also has an obligation to maintain an environment free of Sex Discrimination and Sexual Misconduct, many University employees have mandatory reporting and response obligations and may not be able to honor a Reporting Party’s request for confidentiality. The Title IX Coordinator will evaluate requests for confidentiality.
The willful and unnecessary disclosure of confidential information by anyone, including the Reporting Party or Responding Party, may affect the integrity of the investigation.

Students may make confidential reports to the Program of Assistance for Students (PAS) at 1-800-327-0328. Likewise, employees may make confidential reports through the Employee Assistance Program. All Reporting Parties may also make confidential reports to local rape crisis centers or to other licensed clinical and/or mental health professionals acting in their professional role of providing those services.

10. Interference with an Investigation

Any person who knowingly and intentionally interferes with an investigation conducted under this policy is subject to disciplinary action up to and including dismissal or separation from the University. Interference with an investigation may include, but is not limited to:

- Attempting to coerce, compel, influence, or prevent an individual from providing testimony or relevant information;
- Divulging confidential information;
- Removing, destroying, or altering documentation relevant to the investigation; or
- Providing false or misleading information to the investigator, or encouraging others to do so.

11. Training and Education

The University's commitment to preventing and raising awareness of the harm resulting from the conduct prohibited in this policy includes providing primary prevention and awareness programs for all incoming students and new employees and ongoing education to both employees and students. This policy is published on the University's website and information regarding this policy and related policies is included in orientation materials for new students, faculty, and staff. All employees must attend EEO non-discrimination and sex/gender discrimination training including sexual assault, sexual harassment, and campus crime mandated reporter training within the first 30 days of employment and receive supplemental training every two years. Other appropriate compliance training sessions will also be conducted on an ongoing basis. Training sessions will include information on how and where to report incidents of prohibited conduct, resources available, as well as, risk reduction and safe and positive options for bystander intervention. In addition, University employees and administrators responsible for implementing this policy, including the Title IX Coordinator, Title IX Deputy Coordinators, investigators, and hearing officers, receive annual training about offenses, investigatory procedures, due process requirements, and University policies related to or described in this policy.
