Routing Sheet

Program Title: ______________________________

Will the program be taught via distance education?*
Yes ________ No __________

*SACSCOC defines distance education as a formal educational process in which the majority (≥50%) of the instruction (interaction between students and instructors and among students) in a course occurs when students and instructors are not in the same place. Instruction may be synchronous or asynchronous. A distance education course may use the internet; one-way and two-way transmissions through open broadcast, closed circuit, cable, microwave, broadband lines, fiber optics, satellite, or wireless communications devices; audio conferencing; or videocassettes, DVD’s, and CD-ROMS if used as part of the distance learning course or program.

Will any portion of the program be taught at an off-campus instructional site?
Yes ________ No __________

If “Yes”, please provide the name, address, and zip code for the site where instruction will be delivered:
