POLICY/PROCEDURE:

I. Vehicle Registration.

A. In order to operate or benefit from the use of a motor vehicle on any campus, each member of the TTUHSC El Paso community must obtain, in his or her name, a vehicle registration permit. Vehicle registration is accomplished by completing the appropriate forms, registering vehicle online at https://ttuhsc.parkadmin.com and properly affixing the permit on the motor vehicle. Operation of a motor vehicle without a permit is a violation of the Student Affairs Handbook and TTUHSC El Paso policy.

B. Any person giving false information or failing to complete the on-line vehicle registration is subject to appropriate disciplinary action and revocation of their motor vehicle registration permit and related parking privileges.

C. Faculty, staff or non-registered students who operate a motor vehicle without a permit on any TTUHSC El Paso campus between 7:30 a.m. and 4:00 p.m. Monday through Friday, year-round, excluding official holidays, are in violation of institutional policy.

D. When a change occurs in vehicle registration information and/or work location, it is the responsibility of the employee or student to update information on file in the TTUHSC El Paso Traffic & Parking Office. This can be accomplished by visiting the office, by phone, or via e-mail at ParkingElp@ttuhsc.edu. With few exceptions, the individual is entitled, on request, to be informed about the information that the state governmental body collects about the individual; the individual is entitled to receive and review the information; and the individual is entitled to have the state governmental body correct information about the individual that is incorrect.

E. All forms referenced in this HSCEP OP may be obtained by calling or visiting the office Monday through Friday, from 8:00 a.m. to 4:00 p.m.

F. Faculty and Staff. Faculty and staff are required to register their motor vehicles in the respective Traffic & Parking Office on or before the date they commence operating a motor vehicle on campus. Upon termination of employment with TTUHSC El Paso, it is the responsibility of an employee to cancel their parking privileges and return all decals during their exit process. There is a $2.00 fee per decal not returned.

Faculty, staff and students whose spouse or dependents are register for parking will need to ensure that each individual has a primary vehicle registered to their profile and must park in their designated area.

A. Vehicle registration permits must be permanently affixed to the front windshield in the lower corner of the driver’s side. All permits are self-adhering and application in any other manner may subject the motor vehicle to ticketing. Permits may not be tampered with or exchanged. Motorcycle registration permits must be permanently affixed to the top of the front headlight, front fender, or shock absorbers.

An exception will only be made for off-site employees that are transferred or moved to the main campus; staff will be assigned to the corresponding parking lot based on current date of hire.

H. Students. Students are required to register each motor vehicle to be operated on campus in the respective Parking Services Office during orientation or at the time they commence operating a motor vehicle on a campus

“Reserved Space” permits are for assignment to a specific parking space in a specific lot and are issued to full-time faculty and staff not enrolled as students. The “Reserved Space” permit will contain the lot and space number assigned to the registrant.

“Area Reserved” permits are for assignment to a specific parking lot with no specific space assignment and are issued to full-time faculty and staff not enrolled as students. Parking in the assigned lot/area may be in any space. The “Area Reserved” permit will be color coordinated to the lot assigned to the registrant. Area Reserved parking spaces may be purchased by part-time employees (less than 20 hours a week) at half the specified cost.

Faculty and staff who hold Reserved Space and/or Area Reserved permits may register two vehicles. Additional permits may be purchased for the fee indicated in the current fee schedule. Duplicate permits do not allow for more than one motor vehicle to be parked on campus.

TTUHSC El Paso employees must ensure their current vehicle registration information is on file with the TTUHSC El Paso Traffic & Parking Office. Enforcement of TTUHSC El Paso parking on campus will be done by license plate or decal number and a citation may be issued if the vehicle is not properly registered.

When spaces become available, employees will be notified and given an opportunity to change their designated lot within 5 business days. (Waiting lists are maintained by current date of hire. Priority is not given to any individual under any circumstances.)
