IV. The following are the rules and regulations that apply to the TTUHSC El Paso campus, where applicable, including fee and refund schedules, to be effective for the academic year for students and the entire fiscal year for faculty/staff.

V. General Regulations for Traffic and Parking

A. TTUHSC El Paso is committed to the principle that in no aspect of its programs shall there be differences in the treatment of persons because of race, creed, national origin, age, sex, or disability, and that equal opportunity and access to facilities shall be available to all.

- B. Due to the diverse nature of operations between the University and the Health Sciences Center campuses, it is necessary to have certain regulations that pertain to the specific institution; these are submitted separately by each institution. Following are the regulations that apply to TTUHSC El Paso as defined in C.1 below.
- C. Definitions
1. The campus is defined as all lands owned, managed, or otherwise controlled by the various Health Sciences Center campuses, herein called "TTUHSC El Paso".
 2. Impoundment refers to the actual towing of a vehicle or immobilizing a vehicle by means of an "Auto-Boot".
 3. A visitor is an individual with no official connection with TTUHSC El Paso as a student, faculty, or staff member
 4. A valid parking space is defined as an area designated on three sides by lines and/or posts, curbs, or other types of barriers for the explicit purpose of parking a motor vehicle.
 5. A shared-use path is a pathway created and signed for the simultaneous use of pedestrians and bicycle traffic.
- D. TTUHSC El Paso makes every effort to provide protection for vehicles parking on campus, but cannot assume responsibility for any loss.
- E. The person to whom a vehicle is registered with TTUHSC El Paso is responsible for all violations of the parking rules and regulations. If a vehicle is not registered with TTUHSC El Paso, and a family member is a currently enrolled student, it shall be presumed that the student is the operator of the vehicle and is responsible for all violations of the parking rules and therefore subject to all TTUHSC El Paso traffic rules, policies, and penalties associated with monetary obligations owing TTUHSC El Paso.
- F. Pedestrians in crosswalks will be given the right-of-way at all times.
- G. Speed limits on campus are radar and/or laser enforced.
- H. No person shall drive, cause or permit a vehicle to be driven on TTUHSC El Paso property at a speed greater than is reasonable and prudent under the circumstances then existing, but any speed in excess of the posted limits shall be prima facie evidence that the speed is not reasonable and prudent and that it is unlawful:

Speed Limits Enforced At All Times

1. Campus Streets: Twenty miles per hour, unless otherwise posted.
 2. Parking Lots: Ten miles per hour, unless otherwise posted.
 3. Parking Garages: Five miles per hour, unless otherwise posted.
- I. Inoperable, damaged, or dismantled vehicles are to be reported to the appropriate Traffic & Parking Office as soon as possible. Operators should identify their problem immediately and follow the instructions given.
- J. The campus is restricted for use as described in these regulations. Any vehicle in violation of the regulations or not having a valid TTUHSC El Paso registration permit

properly displayed may be issued a campus citation.

K. Skates and Skateboards

On the campus of TTUHSC El Paso (as defined in Section IV.c.(1) of these regulations):

1. No person may skate or use a skateboard
 - a. on or in any University buildings, structures, stairways, elevated sidewalks, access ramps, steps, retaining walls, handrails, malls, benches, fountain areas or other architectural elements;
 - b. on or in planting areas, grass areas or seeded areas;
 - c. on streets open for vehicular traffic;
 - d. where prohibited by sign, by police officer, or where otherwise prohibited by law; or,
 - e. in a manner that is incompatible with the flow of vehicular or pedestrian traffic.
2. No person may use a skateboard in such a way that it is
 - a. not under the control of the user; or
 - b. operated in an unsafe manner.
3. No person who is skating or using a skateboard may fail to yield the right-of-way to
 - a. a pedestrian;
 - b. a bicyclist;
 - c. a motor vehicle; or
 - d. a wheelchair or other device designed for the transport of persons with disabilities.

Pursuant to Section 51.202, Texas Education Code, a person who violates any provision of this regulation is guilty of a misdemeanor and upon conviction is punishable by a fine of not more than \$200.

- L. These regulations apply to all persons who operate vehicles on TTUHSC El Paso property.
- M. The Chief of the Texas Tech Police Department, the Managing Director of Parking & Transportation Services at the TTUHSC El Paso (responsible for managing the parking function on that campus), and the Unit Manager for Traffic & Parking department is responsible for the implementation and the just and proper enforcement of these regulations.
- N. The parking wheel stops and curbs located all over campus are six inches tall. Many newer and some older model vehicles have special ground effects, attachments, air dams, fog/driving lights, or other attachments that reduce ground clearance under the vehicle. Driving such vehicles over the parking wheel stop or curb may cause damage to these vehicles. Drivers are urged to use caution when parking vehicles to avoid damage. TTU System assumes no responsibility in such cases.

VI. Vehicle Registration

- A. In order to operate or benefit from the use of a motor vehicle on campus, each member of the TTUHSC El Paso community must obtain and display, in his or her name, a vehicle registration permit. No person may register a motor vehicle in his or her name which belongs to another student, faculty, or staff member. Violation of the Traffic and Parking Regulations is prohibited by the Student Affairs Handbook and TTUHSC El Paso policy.

To benefit from the use of parking spaces designed for persons with disabilities, an eligible faculty/staff member or student **MUST** display a state issued placard or license plate **as well as a TTUHSC El Paso disability permit.**

- B. Students are required to register each motor vehicle to be operated on campus at the time they register for school or at the time they commence operating a motor vehicle on campus.
- C. Faculty and staff are required to register their motor vehicles on or before the date they commence operating a motor vehicle on campus.
- D. Faculty and staff, whose dependents are students, may allow those dependents to register a commonly operated motor vehicle for a student permit in addition to the reserved permit. If the faculty or staff member has two motor vehicles registered, and if both motor vehicles are on campus at the same time, the motor vehicle with the student permit must be parked in the designated student parking area and not in either the faculty or staff member's reserved space or in the time limit areas on campus.

The Traffic & Parking Office must receive notification if the faculty or staff member will have both registered vehicles on campus and the alternate vehicle operator is:

- 1. a registered faculty or staff member, operator will need to park in their designated area
- 2. not a registered faculty or staff member, a fee of \$1/day will be paid for a temporary parking permit and the vehicle will need to be parked in the overflow parking lot

These circumstances will only be permitted as an exception but not allowed on a daily basis.

- E. Any person giving false information when registering a vehicle is subject to appropriate disciplinary action and revocation of their motor vehicle registration permit and related parking privileges.
- F. TTUHSC El Paso issues two types of registration permits, non-transferable and transferable.

1. Non-transferable Permits

Non-transferable permits must be permanently affixed to the front windshield in the lower corner of the driver's side. All such permits are self-adhering and application in any other manner may subject the motor vehicle to ticketing. Vehicle registration is not complete until the permit is properly and completely affixed to the motor vehicle of record. Permits may not be tampered with or exchanged without authorization.

2. Transferable Permits

Transferable permits are designed and intended to be hung from the rearview mirror, however, may be placed on the dashboard. The purpose of these permits is to allow the owner to move them from vehicle to vehicle; the permit **MUST** be displayed (dates and permit numbers **MUST** be visible if the permit is on the dashboard) on the motor vehicle parked on campus. Be sure to contact Parking Services personnel if you have any problems with your transferable permit. The Texas Tech Police Department recommends you properly secure your vehicle and any valuables contained therein.

3. All permits are for the exclusive use of the registrant. Permits may not be sold, exchanged, given away, or purchased from any person or agency other than TTUHSC El Paso.
 4. Permits remain the property of TTUHSC El Paso and may be recalled at any time.
 5. All outdated TTUHSC El Paso registration permits must be removed from the motor vehicle(s) and returned to the Traffic & Parking Office. Displaying an outdated permit may subject the motor vehicle to ticketing.
- G. Lost or stolen permits or recovery of a lost or stolen permit must be reported to the Traffic & Parking Office immediately.
- H. Replacement Permits
1. Replacement for a non-transferable permit will be issued when identifiable remnants or proof of loss or destruction of the permit are provided. The replacement fee indicated in the current fee schedule will be charged for each replacement permit.
 2. Replacement for a transferable permit which is reported lost or stolen will be issued the first and second time for the replacement fee indicated in the current fee schedule; thereafter, the cost will be the full price of the permit.
- I. Persons who hold non-transferable reserved registration permits and are assigned reserved spaces may obtain one duplicate permit at no additional charge. One additional permit may be purchased for the replacement fee indicated in the current fee schedule. Duplicate permits do not allow for more than one motor vehicle to be on campus during the reserved period.
- J. Upon termination of employment with TTUHSC El Paso, it is the responsibility of an employee to cancel their parking privileges. Only exception is if the employees separated without clearing. The registration permit(s) need to be returned to the Traffic & Parking Office.

VII. Parking Enforcement, Parking Violations, and Sanctions

- A. Parking is governed by markers and traffic signs. Parking is permitted only in areas clearly identified for parking.

F. All motorcycle registration permits are issued for the academic year for students and the fiscal year for faculty and staff. They may be purchased at any time during the year at a rate that is prorated monthly.

G. Bicycles should be parked in racks at all times. Use of shrubs, trees, or any architectural structures to secure bicycles is prohibited. Bicycles are not permitted in TTUHSC El Paso academic or administrative buildings. Any bicycle found in violation of this subsection may be impounded. The normal impoundment fee is \$40.00. Overdue citations may subject the permit holder's motor vehicle(s) to impoundment and removal of the parking permit(s). Overdue citations may be applied to a student's tuition statement if they remain unresolved or may result in restriction of subsequent academic registration and withholding of a student's transcript until such time as the obligation is satisfied. Parking and these restricted services may be restored when all overdue citations have been resolved. At the discretion of TTUHSC El Paso, overdue citations may be adjudicated in a court of competent jurisdiction in accordance with

 - 2. The revocation period shall commence with the return of the registration permit(s) to the appropriate Traffic and Parking Office.
- F. Individuals with at least three unpaid parking citations from the TTUHSC El Paso Traffic & Parking Office that are found parking in violation of the rules and regulations on TTUHSC El Paso or UMC grounds, may be issued a county citation.

- B. Impoundment may be accomplished either by towing or through immobilization by use of an auto boot.
- C. When a vehicle has been impounded the operator of the vehicle may contact the Traffic & Parking Office for information. Prior to the release of the impounded vehicle, satisfactory arrangements for payment shall be made.
 - 1. The impoundment fee for towed vehicles will be a \$15 administrative fee plus the amount charged by the towing company. This amount may vary depending on the vehicle impounded and the current wrecker service.
 - 2. The impoundment fee for booted vehicles will be \$40. If vehicle owner does not contact the Traffic & Parking office before closing hours, payment and boot release will be conducted on the next business day.
 - 3. Vehicles impounded will be charged storage at the rate of \$6.00 per day, including tax, commencing 24 hours after impoundment.
 - 4. The maximum storage fee to be charged is \$130.00 per month, including tax.
- D. If the owner or driver of a motor vehicle to be impounded arrives before impoundment has begun, the vehicle will not be impounded. If the owner or driver arrives after impoundment has begun, the vehicle will not be impounded if the driver opts to pay the tow truck driver the impoundment fee (see Section IX.C.1) less the \$15 administrative fee (payable in a manner acceptable to the towing company) in lieu of impoundment.

- C. TTUHSC El Paso is concerned about the protection of persons and property and places a high priority on striving to maintain a safe environment for students, faculty, staff, and visitors. The University cannot, however, guarantee the absolute safety of any one individual. Personal safety must begin with individual responsibility. With that thought in mind, a Personal Safety brochure has been prepared which contains personal safety recommendations, crime statistics, safety services and programs, as well as a list of telephone numbers to contact for help. All visitors and members of the campus community are encouraged to make themselves familiar with this information. The Personal Safety brochure is available at various locations on campus including the Personnel Office, the Texas Tech Police Department the Center for Campus Life, and the residence halls.

Area reserved permit holders should overflow to other designated area reserve parking lots if all available area reserved spaces in the lot are occupied.
- B. Commuter permits will be issued for motor vehicles belonging to students.
 - 1. Commuter permits are issued to the individual vehicle and ownership is not transferable. Use of a commuter permit by anyone other than the individual to whom it was issued is not permitted.  - 2. Parking is available in certain designated lots.

3. Students must complete their vehicle registration on-line at <https://ttuhsc.parkadmin.com>

 2. State placards or license plates must be displayed at all times when a vehicle is parked in these areas.
 3. The designated disability parking areas are reserved 24 hours daily.

Property damage and unsafe conditions, however, frequently occur on campus as a result of drivers ignoring parking regulations.

Service and vendor motor vehicles found to be blocking a street or creating a hazard may be ticketed and impounded.

A. University Service Vehicle Parking

Faculty, staff, and students who operate TTUHSC El Paso service vehicles on campus should become familiar with the contents of HSCEP OP 76.37.
