SPONSORSHIP STATEMENT:
Jointly provided by the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine, Center for Advanced Teaching and Assessment in Clinical Simulation, Gayle Greve Hunt School of Nursing, Regional Simulation and Training Center and University Medical Center of El Paso.

CONFERENCE OVERVIEW AND OBJECTIVES:
This clinical simulation conference is designed for physicians, advanced practice nurses, physician assistants, registered nurses, residents, students and other interested healthcare practitioners. Guided by experts, participants will have the opportunity to examine current healthcare issues through hands-on training in a state-of-the-art clinical setting.

Course Objectives:
Following this activity, participants should be able to:
• Discuss the magnitude and consequences of clinical errors in different disciplines (internal medicine, emergency medicine, obstetrics and gynecology, pediatrics, primary care and nursing)
• Demonstrate proficiency in performing clinical procedures
• Improve the strategic use of simulation-based practices
• Increase awareness of the uses and benefits of clinical simulation
• Highlight the value of clinical simulation to the teaching process, and share simulation-based teaching methods
• Network and share clinical simulation expertise with other educational and healthcare institutions in the region
• Advocate the use of clinical simulation to enhance patient safety
• Improve interdisciplinary teamwork skills in a simulated health care setting

CME ACCREDITATION
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the Texas Tech University Health Sciences Center El Paso Paul L.
