Electronic Health Record for Health Care Simulation and Training

Friday, July 30, 2021
10 – 11 a.m. MT
Presented on Webex

Presented by:

Diana C. Bowen, M.S.N., R.N.-B.C., CNE
Clinical Instructor
TTUHSC El Paso
El Paso, Texas

Fabian Salazar, D.N.P., R.N., CNE
Clinical Instructor
TTUHSC El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:

- Identify the needs for simulated EHRs in health care education, simulation, and training.
- Discuss the use of simulated EHRs in health care education, simulation, and training.
- Review limitations and barriers of currently available EHRs.
- Explore and demonstrate a cost-effective and customizable option to simulate an EHR using MS Excel.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

University Medical Center of El Paso is approved with distinction as a provider of nursing continuing professional development by New Mexico Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides up to a total of 1 nursing contact hours for successful completion of this educational activity.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Disclosure: Diana C. Bowen, M.S.N., R.N., and Fabian Salazar, D.N.P., R.N., have no relevant financial relationships to disclose. All members of the planning committee for this series have signed disclosures stating no relevant financial relationships exist with any industry support companies.

- The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
- Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
