Objectives: Upon completion of this session, participants should be able to:

- Identify nontraditional career paths.
- Identify resources to assist them as they are planning out their career.
- Recognize that sometimes our careers take us in directions that might not make sense, but with determination, we can make the best out of the direction our paths are diverted or have gone.
- Comprehend that the “traditional scientific” family situation, where couples live in the same state, county and country, has changed – and there are resources available to assist when families are separated due to career choices.
- Recognize the options they have in academics and that it is “ok” to change directions, institutions and titles to advance their careers.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this other activity (synchronous (online conference system); asynchronous (Learning Management System)) for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education to resolve all potential conflicts of interest prior to the activity.

All speakers and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Webex attendance logs with entry and exit time stamps will be used to validate attendance requirements.

- The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine reserves the right to cancel this activity or make speaker substitutions in the event of unforeseen or extenuating circumstances.
- Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
