Physiatry Involvement in Acute Trauma Care: The Shift of Paradigm

Presented by:
Zainab Al Lawati, M.D.
Assistant Professor
Department of Surgery
Texas Tech University Health Sciences Center El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:

- Recognize the role of early physiatry involvement in preparing the patient for rehabilitation.
- Illustrate the different categories of inpatient rehabilitation.
- Appraise the role of telerehabilitation and outpatient care.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Attendance logs with entry and exit timestamps will be used to validate attendance requirements.

Disclosure: All planning committee members and speakers have disclosed that they have no relevant financial relationships with any companies or organizations whose products or services may be discussed.

The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.

Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
