Bone Healing: What You Need To Know

Ahmed Thabet Hagag, M.D., Ph.D., FACS
Department of Orthopaedics
Texas Tech University Health Sciences Center El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:

- Review the normal bone healing process.
- Identify systemic factors affecting bone healing.
- Discuss local factors affecting bone healing.
- Know what can go wrong with bone healing and how to manage it.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Attendance logs with entry and exit time stamps will be used to validate attendance requirements.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Office of Continuing Medical Education to identify, mitigate and disclose all relevant financial relationships with ineligible companies prior to the activity.

The speaker and planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.

The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
