Clinical and Imaging Approach to Non-Accidental Trauma Infants

Jeffrey Tutman, M.D.
Assistant Professor
Department of Radiology
University of Colorado School of Medicine
Colorado Springs, Colorado

Nicole Wallace, M.D.
Assistant Professor
Department of Pediatrics
University of Colorado School of Medicine
Colorado Springs, Colorado

Upon completion of this session, the participant should be able to:
1. Identify the importance of sentinel injuries.
2. Recognize the role of the skeletal survey in the evaluation of suspected non-accidental trauma.
3. Review the radiographic feature which supports a diagnosis of non-accidental trauma.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

♦ The Office of Continuing Medical Education (CME) reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
♦ Persons with disabilities who need auxiliary aids or services may call the CME office at 915-215-4880 to arrange accommodations.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of CME to resolve all potential conflicts of interest prior to the presentation.

Jeffrey Tutman, M.D., Nichole Wallace, M.D., and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.
