Internal Medicine Grand Rounds

Wednesday, March 30, 2022
Noon – 1 p.m.
Join us at TTP El Paso on Alberta, Auditorium A3500

The Holistic Approach in Pain Management: Physiatrist’s Perspective
Presented by:
Zainab Al Lawati, M.D., M.Ed., FRCPC, FAAPMR
Assistant Professor
Department of Surgery, Division of Physiatry
Physical Medicine and Rehabilitation
Texas Tech University Health Sciences Center El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:
• Describe the burden of pain on the health care system and the society.
• Describe an effective approach to various subtypes of pain.
• Define the multidisciplinary approach in pain management.
• Tackle the opioid epidemic with effective management strategies.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Ethics and Professional Responsibility: This activity provides 1 CME credit toward the annual requirement of the Texas Medical Board for continuing medical education credit in medical ethics or professional responsibility.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Zainab Al Lawati, M.D., M.Ed., FRCPC, FAAPMR, and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling or distributing health care products used by or on patients.

❖ The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
❖ Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
