An Update on Management of Chronic Pancreatitis

Presented by:
Ricardo Badillo, M.D.
Assistant Professor
Department of Internal Medicine
Interventional Endoscopy
Division of Gastroenterology
Texas Tech University Health Sciences Center El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:

- Describe the long-term complications associated with chronic pancreatitis, including functional and physiological changes, quality of life impairment, and cancer risk.
- Identify the best treatment strategy for management of chronic pancreatitis.
- Describe the newest endoscopic options for diagnostic and therapeutic management of chronic pancreatitis.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Ricardo Badillo, M.D., and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling or distributing health care products used by or on patients.

❖ The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
