The Utility of Uncertainty in the Era of Power-Based Learning

Friday, April 22, 2022
Noon – 1 p.m. MT
Presented on Webex

Presented by:
James M. Hays, Ph.D., MPH, MA Ed
Adjunct Professor – Educational Scientist
New York University – Department of Obstetrics and Gynecology
New York, NY

Objectives: Upon completion of this session, the participant should be able to:
- Discuss differences between Adult-based teaching and Instruction
- Reflect on the progress of educational achievements and growth of the past 15 years
- Review the expected impact and use of disruptive agents to support training for certification

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

University Medical Center of El Paso is approved with distinction as a provider of nursing continuing professional development by New Mexico Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

This activity provides up to a total of 1 nursing contact hours for successful completion of this educational activity.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

James M. Hays, Ph.D., MPH, MA-Ed, and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling or distributing health care products used by or on patients.

- The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
- Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
