**Scope and Distribution:**
This protocol applies to all Texas Tech Physicians of El Paso ambulatory clinics.

**Procedure:**

Individual and Visitors arrives to clinic

In the past 10 days have you:

A- been diagnosed with COVID-19 or tested for it and waiting results?
B- been in contact with someone confirmed to have COVID-19?
C- experienced any nasal congestion or discharge, coughing, dry or a scratchy throat, sneezing, body aches, headache, fever, or a loss of smell or taste.

Give a mask to patient and visitors and ask them to properly wear them throughout their clinic encounter

Have individual perform hand hygiene with hand sanitizer.

Inform the pre-designated healthcare staff member of the PUI arrival.

Continue with intake.
