TTUHSC EP’s failure to object to provisions contained in Supplier’s documents shall not be deemed a waiver of the Purchase Order, the Terms and Conditions set forth herein and any exhibits (collectively also referred to as “Purchase Order”) which shall constitute the entire agreement between the parties.

2. DELIVERY; SUBSTITUTIONS; INVOICES; SALES TAX: Supplier will keep TTUHSC EP advised at all times of the status of delivery or performance under this Purchase Order. Substitutions, cancellations and price changes will require prior written consent of TTUHSC EP Purchasing Department. TTUHSC EP will not be bound by any oral statement or representation contrary to the written specifications of this Purchase Order. Default in promised delivery or failure to conform to the requirements of this Purchase Order authorizes TTUHSC EP to purchase goods or services elsewhere and charge to Supplier any excess cost of such repurchase. Supplier will show this Purchase Order number and complete “ship to” information, including attention line, on all packages, shipments, and invoices. Invoices must include Supplier Texas Vendor Identification Number and be addressed and mailed to:

(c) If Supplier is a taxable entity as defined by Chapter 171, Texas Tax Code (“**Chapter 171**”), Supplier is not currently delinquent in the payment of any taxes due under Chapter 171, or Supplier is exempt from the payment of those taxes, or Supplier is an out-of-state taxable entity that is not subject to those taxes, whichever is applicable.

(d) Pursuant to Section 403.055(h), Texas Government Code, any payments owing to Supplier under this Purchase Order may be applied to any debt or delinquent taxes that Supplier owes the State of Texas, until such debt or delinquent taxes are paid in full.

(e) In accordance with Sections 2155.004 and 2155.006, Texas Government Code, Supplier is not ineligible to receive the award of or payment under this Purchase Order and this Purchase Order may be terminated and payment withheld if these certifications are inaccurate.

(f) In accordance with Section 231.006, Texas Family Code, the individual or business entity named in this Purchase Order is not ineligible to receive the award of or payment under this Purchase Order and this Purchase Order may be terminated and payment may be withheld if this certification is inaccurate.

All electrical items must meet all applicable OSHA standards and regulations, and bear the appropriate listing from a Nationally Recognized Testing Laboratory (NRTL). TTUHSC EP will have the rights of inspection and approval and may reject and return goods or require performance of services at Supplier's expense if defective or not in compliance with TTUHSC EP's specifications. Defects will not be deemed waived by TTUHSC EP's failure to notify Supplier upon receipt of goods or completion of services or by payment of invoice.

(h) No disclosure, description, or other communication of any sort will be made by Supplier to any third person of the fact of TTUHSC EP's purchase of goods or services under this Purchase Order, or of the details and characteristics of the goods or services, without TTUHSC EP's prior written consent. Anything furnished to Supplier by TTUHSC EP pursuant to this Purchase Order including samples, drawings, patterns, and materials will remain the property of TTUHSC EP, will be held at Supplier's risk, and will be returned to TTUHSC EP upon TTUHSC EP's request, and no disclosure or reproduction thereof in any form will be made without TTUHSC EP's prior written consent. Supplier is familiar with and is in full compliance with its obligations, if any, under all applicable federal, state and local, laws, regulations, and ordinances (collectively, "**Applicable Laws**").

(i) All goods delivered or services provided pursuant to this Purchase Order will conform to standards established for such goods and services by all Applicable Laws, including those standards promulgated by the federal Occupational Safety and Health Administration (OSHA) and the Texas Hazard Communication Act, Chapter 502, Texas Health and Safety Code ("**Texas hazard Communication Act**").

(j) Supplier is familiar with and in full compliance with the Texas Hazard Communication Act and will provide either (1) a Material Safety Data Sheet ("**MSDS**") for each product Supplier, its employees, agents or subcontractors brings on TTUHSC EP's premises, or
(2) a statement of exemption if the product is not covered by the Texas Hazard Communication Act. For any chemicals purchased, mail Material Safety Data Sheet:

Texas Tech University Health Sciences Center

130 Rick Francis St.
MSC 51031
El Paso, Texas 79905

Include an additional Material Safety Data Sheet with the shipment.

(k) Use or sale of any goods delivered under this Purchase Order, except (with respect to patents) goods produced to TTUHSC EP's detailed design, will not infringe any adverse valid patent, copyright, trademark or other intellectual property right.

(l) The price to be paid by TTUHSC EP will be that contained in Supplier's bid or proposal, which Supplier warrants to be no higher than Supplier's current prices on orders by others for goods or services of the kind covered by this Purchase Order for similar quantities to similar customers under similar conditions. In the event Supplier breaches its warranty, the prices will be reduced to Supplier's current prices on orders by others or, in the alternative, TTUHSC EP may cancel this Purchase Order without liability to Supplier.

(m) Supplier will make records of Supplier's costs, reimbursable expenses and payments pertaining to this Purchase Order available to TTUHSC EP or its authorized representative during business hours and retain those records for four (4) years after final payment or abandonment of the project, unless TTUHSC EP otherwise instructs Supplier in writing.

(n) If this Purchase Order requires Supplier's presence on TTUHSC EP's premises or in TTUHSC EP's facilities, Supplier will cause its employees, representatives, agents, and subcontractors to become aware of, fully informed about, and in full compliance with all applicable TTUHSC EP rules and policies, including those relative to personal health, security, environmental quality, safety, fire prevention, noise, smoking, and access restrictions.

(o) Supplier has not given or offered to give, nor does Supplier intend to give at any time hereafter, any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor or service to a public servant in connection with this Purchase Order.

(p) Supplier shall comply with applicable export control laws and regulations, including but not limited to the International Traffic in Arms Regulations (ITAR), 22 CFR Parts 120 through 130, and the Export Administration Regulations (EAR) 15 CFR Parts 730 through 799, in the performance of this Agreement. In the absence of available license exemptions/exceptions, Supplier shall be responsible for obtaining the appropriate licenses or other authorizations, if required, for exports of hardware, technical data, and software, or for the provision of technical assistance. Supplier shall be responsible for all regulatory record keeping requirements associated with the use of licenses and license exemptions/exceptions. Prior to disclosing or transferring to TTUHSC EP any hardware, technical data, software or product utilizing any such data which is subject to export controls under federal law, Supplier shall notify TTUHSC EP in writing of the nature and extent of the export control. TTUHSC EP shall have the right to decline any such technical data or product utilizing such data. In the event the Supplier sends such technical data or product that is subject to export control, without notice of the applicability of such export control, TTUHSC EP has the right to immediately terminate this Purchase Order.

(q) Supplier agrees that all writings or other materials produced by Supplier, its employees or agents relating to the work under this Purchase Order shall be deemed "works made for hire" as that term is defined in the U.S. Copyright Act, that all rights thereto shall be owned by TTUHSC EP, and that Supplier shall not assert any claim thereto. In the event that works are not considered "works made for hire" as that term is defined in the U.S. Copyright Act, the Supplier assigns any and all intellectual property rights, including but not limited to copyrights to any such works, and Supplier agrees to execute any necessary documentation to effect this assignment.

(r) The foregoing representations, covenants, certifications, warranties and Purchase Orders will survive acceptance of goods as well as performance of services under this Purchase Order.

5. PAYMENT: TTUHSC EP will make payment for purchases made by TTUHSC EP departments under this Purchase Order in accordance with Chapter 2251 of the Texas Government Code. Notwithstanding any provision of this Purchase Order to the contrary, TTUHSC EP will not be obligated to make any payment to Supplier if Supplier is in default under this Purchase Order. No payment made by TTUHSC EP will (a) be construed to be final acceptance or approval of that Product or Services to which the payment relates, or (b) relieve Supplier of any of its duties or obligations under this Purchase Order. The acceptance of each payment by Supplier will constitute a waiver of all claims by Supplier except those previously made in writing and identified by Supplier as unsettled at the time of the invoice for that payment. TTUHSC EP will have the right to verify the details set forth in Supplier's invoices and supporting documentation, either before or after payment, by (a) inspecting the books and records of Supplier at mutually convenient times; (b) examining any reports with respect to the Project; and (c) other reasonable action.

6. TRAVEL EXPENSES: In the event the Purchase Order requires TTUHSC EP to reimburse Supplier for travel expenses, then reasonable travel, meals, and lodging expenses shall be charged in accordance with and shall not exceed State of Texas travel, meal, and lodging reimbursement guidelines applicable to employees of the State of Texas.

7. ACCESS BY INDIVIDUALS WITH DISABILITIES: Supplier represents and warrants that the electronic and information resources (the "EIR Accessibility Warranty") and all associated information, documentation, and support that it provides to TTUHSC EP under this Purchase Order (collectively, the "EIRs") comply with the applicable requirements set forth in 1 TAC Chapter 213 and 1 TAC Section 206.70 (as authorized by Subchapter M, Chapter 2054, Texas Government Code.) To the extent Supplier becomes aware that the EIRs, or any portion thereof, do not comply with the EIR Accessibility Warranty, then Supplier represents and warrants that it will, at no cost to TTUHSC EP, either (1) perform all necessary remediation to make the EIRs satisfy the EIR Accessibility Warranty or (2) replace the EIRs with new EIRs that satisfy the EIR Accessibility Warranty. In the event that Supplier fails or is unable to do so, then TTUHSC EP may terminate this Purchase Order and Supplier will refund to TTUHSC EP all amounts TTUHSC EP has paid under this Purchase Order within thirty (30) days after the termination date.

8. ANTITRUST LAWS; CLAIMS FOR OVERCHARGES: Supplier warrants and represents that neither Supplier nor any party acting on behalf of Supplier has violated the antitrust laws of the United States or of the State of Texas. Supplier hereby assigns to TTUHSC EP any and all claims for overcharges associated with this Purchase Order which arise under the antitrust laws of the United States, 15 U.S.C.A. Section 1, et seq., or of the State of Texas, Tex. Bus. & Comm. Code Sec. 15.01, et seq.

9. INDEPENDENT SUPPLIER: Nothing in this Agreement is intended nor shall be construed to create an employer/employee relationship between the contracting Parties. The sole interest and responsibility of the Parties is that the services covered by this Agreement shall be performed and rendered in a competent, efficient, and

satisfactory manner. No Party shall have the authority to represent or otherwise bind any other Party, nor shall any of the Parties' respective agents, employees or representatives be construed to be the agent, employee or representative of another Party.

Supplier is solely responsible for all persons employed in connection therewith, including exclusive liability for the payment of all federal, state, and local unemployment and disability insurance premiums and fees and all social security and other taxes and contributions payable in respect of such persons, from and against which liability Supplier agrees to indemnify, exonerate and hold harmless TTUHSC EP.

If the Legislature fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds, then TTUHSC EP will issue written notice to Supplier and TTUHSC EP may terminate this Purchase Order without further duty or obligation hereunder. Supplier acknowledges that appropriation, allotment, and allocation of funds are beyond the control of TTUHSC EP.

STATE AUDITOR'S OFFICE: Supplier understands that acceptance of funds under this Purchase Order constitutes acceptance of the authority of the Texas State Auditor's Office, Texas Tech University System Office of Audit Services, or any successor agency (collectively, "Auditor"), to conduct an audit or investigation in connection with those funds. Supplier agrees to cooperate with the Auditor in the conduct of the audit or investigation, including providing all records requested. Notwithstanding the generality or

specificity of any provision of this Purchase Order (including, without limitation, any provision pertaining to indemnification, a cap on liability, a limitation of damages, or a waiver or limitation of rights, remedies, representations or warranties), the provisions of this Purchase Order, as those provisions pertain to TTUHSC EP, are enforceable only to the extent authorized by the Constitution and laws of the State of Texas. It is illegal to discriminate against any individual (other than a citizen of another country who is not authorized to work in the United States) in hiring, discharging, or recruiting because of that individual's national origin or citizenship status. Supplier will determine on a case-by-case basis whether each individual assigned to perform services is qualified to provide the services. Supplier will not knowingly assign any individual to provide services on TTUHSC EP's campus who has a history of criminal conduct unacceptable for a TTUHSC EP campus or healthcare center, including violent or sexual offenses. Supplier will update the List each time there is a change in the individuals assigned to perform services. Prior to commencing performance of services

Supplier will provide TTUHSC EP an updated certification letter each time there is a change in the individuals assigned to perform services.

26. FORCE MAJEURE: “Event of Force Majeure” means an event beyond the control of Contractor or University which prevents or makes a party’s compliance with any of its obligations under this Contract illegal or impracticable, including but not limited to: act of God (including, without limitation, fire, explosion, earthquake, tornado, drought, and flood); war, act or threats of terrorism, hostilities (whether or not war be declared), invasion, act of enemies, mobilization, requisition, or embargo; rebellion, insurrection, military or usurped power, or civil war; contamination or destruction from any nuclear, chemical, or biological event; riot, commotion, strikes, go slows, lock outs, or disorder; epidemic, pandemic, viral outbreak, or health crisis; or directive of governmental authority.
