Policy

Prior to disposing or discarding any PHI, the applicable custodian of medical records and the HIPAA Privacy Officer should be consulted.

All destructions/disposal of PHI will be done in accordance with applicable federal and state law and the TTUHSC El Paso retention policy, or other applicable TTUHSC El Paso policies.

1. Approved methods of destruction/disposal for all records containing PHI:
 - a) Locked shred bins for future destruction by designated personnel or shredding company
 - b) Shred boxes, i.e., secure containers located at individual work areas, not accessible to the public for future destruction by designated personnel or shredding company.
 - c) Individual shredders within the department
 - d) Degauss any electronic media

TTUHSC El Paso has contracted with a vendor to provide shredding services. Departments are responsible for procuring these services and requesting appropriate size and lockable bins from the contracted vendor. For information regarding the current vendor approved to provide shredding services please contact the [Purchasing Department](#).

2. Non-approved methods of disposal:
 - a) Trash cans
 - b) Cardboard boxes
 - c) Unlocked shred boxes accessible to the public
