6	About Microsoft Edge		

Under the Import from other browser section, select Choose what to import

A window will pop-up.

Choose an option from the drop-down menu under the *Import from* section.

Import browser data				
Import from				
Google Chrome $\checkmark$				
Google Chrome				
Microsoft Edge Legacy				
Microsoft Internet Explorer				
Mozilla Firefox - default release				
Favorites or bookmarks HTML file				
Passwords CSV file				

It is recommended by IT Cybersecurity team to only import the below settings under the *Choose what to import* menu

- Favorites or bookmarks
- Extensions

Note: It is best practice not to store passwords and payment information in Internet browsers.

Lastly, click the *Import* button.

Choose what to import					
Favorites or bookmarks					
Saved passwords					
Personal info					
Payment info					
Browsing history					
Settings					
Open tabs					
Extensions					
Learn more about these settings					
Import	Cancel				

You will find all the imported bookmarks in the *Fa vorites* tab located in the top-right of the browser window.
