HSCEP OP: 10.32, Use and Secure Handling of the Presidential Seal

PURPOSE: The purpose of this Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) Operating Policy and Procedure (HSCEP OP) is to regulate use and secure handling of the presidential seal (also known as the university seal). The embossed presidential seal is, in addition to a symbol of the identity of TTUHSC El Paso, a corporate mark of identification demonstrating the authenticity of academic records, contracts, and other documents executed in the name of TTUHSC El Paso. In these regards, the integrity of TTUHSC El Paso depends on the presidential seal being used only for permissible purposes by authorized institutional officials. This policy is intended to reduce the potential for misrepresentation of TTUHSC El Paso though misuse of the presidential seal and, more specifically, to prevent academic fraud.

REVIEW: This HSCEP OP will be reviewed by September 1 of every odd-numbered calendar year by the chief academic officer or designee, with recommendations for revision forwarded to the president within one month (by October 1).
