### **INSTRUCTIONS**

1. The Nursing Peer Review Law and BON rules give you the right to submit a rebuttal statement to the Detailed Summary of Findings that the peer review committee has provided you. Your statement will be made a permanent part of the findings and included with the committee's report.
2. The statement may not include patient names or other patient identifying information. Any such information will be deleted from the statement.
3. Be sure to comply with any deadline for submitting the statement. Failure to do so may result in the Nursing Peer Review Committee's report being disclosed without the rebuttal statement being attached.
