8. The respective rights and obligations of Data Recipient under this Section D shall survive termination of this Agreement.

D. OBLIGATIONS AND ACTIVITIES OF COVERED ENTITY

1. The Covered Entity may use or disclose these data sets upon execution of this Agreement by the Data Recipient.

2. The Covered Entity is exempt from the accounting of disclosure of a data set in accordance with 45 CFR 46.

3. The Covered Entity may use or disclose a data set only for the purposes of research, public health or health care operations.

F. TERM AND TERMINATION; DISPOSITION OF DATA SET

1. The term of this Agreement shall start August 22, 2018 ("Effective Date").

2. Covered Entity may terminate this Agreement:
   a. Immediately if Data Recipient is named as a defendant in a criminal proceeding for a
violation of HIPAA or the HIPAA Regulations;

c. Immediately if Covered Entity determines that Data Recipient has breached or violated a material term of this Agreement;
d. Immediately if it is in the best interest of Covered Entity, as deemed by Covered Entity in its sole discretion to do so; or

Upon mutual written agreement through an amendment to this Agreement, Data Recipient shall continue to extend the protections of this Agreement to the data set for as long as Data Recipient holds the data set. If Data Recipient later elects to destroy the data set, Data Recipient shall notify Covered Entity in writing that the data set has been destroyed within three (3) business days.

G. ENFORCEMENT

From time to time upon reasonable notice, or upon a reasonable determination by Covered Entity that Data Recipient has breached this Agreement, Covered Entity may inspect the facilities, systems, books and records of Data Recipient to monitor compliance with this Agreement. The fact that Covered Entity inspects, or fails to inspect, or has the right to inspect, Data User’s facilities, systems and procedures does not relieve Data Recipient of its responsibility to comply with this Agreement, nor does Covered Entity’s (1) failure to detect or (2) detection of, but failure to notify Data Recipient or require Data User’s remediation of, any unsatisfactory practices constitute acceptance of such practice or a waiver of Covered Entity’s enforcement or termination rights under this Agreement. The Parties’ respective rights and obligations under this Section G shall survive termination of the Agreement.

H. MISCELLANEOUS

1. The Parties agree to take such action as is necessary to amend this Agreement as mutually agreed in writing from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy Rule and HIPAA.

2. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with the Privacy Rule.

3. There are no intended third-party beneficiaries to this Agreement. Without in any way limiting the foregoing, it is the Parties’ specific intent that nothing contained in this Agreement gives rise to any right or cause of action, contractual or otherwise, in or on behalf of the individuals whose PHI is used or disclosed pursuant to this Agreement.

If the Covered Entity or the Data Recipient knows of a pattern of activity or practice that constitutes a breach or violation of this Agreement, and such violations cannot be cured or such violation ended by reasonable measures, both Parties agree to the discontinued disclosure of PHI and agree to report the problem as required by law.

6. If any breach or violation is not cured, and if termination of this Agreement is not feasible, Covered Entity shall report Data User’s breach or violation to the Secretary of the United States Department of Health and Human Services, and Data Recipient agrees that it shall not have or make any claim(s), whether at law, in equity, or under this Agreement, against Covered Entity with respect to such report(s).

7. In the event of any conflict between the terms and conditions stated within this Agreement and those contained within any other agreement or understanding between the Parties, written, oral or implied, the terms of this Agreement shall govern. Without limiting the foregoing, no provision of any other agreement or understanding between the Parties limiting the liability of Data Recipient to Covered Entity shall apply to the breach of any covenant in this Agreement by Data Recipient.
