

CELL AND MOLECULAR

Dr. Curt Pfarr, PhD

Associate Professor of Cell and Molecular Biology in Medical Education

Paul L. Foster School of Medicine

curt.pfarr@ttuhsc.edu

Education

1991 – 1995 Post-doctoral Fellow, Pasteur Institute, Paris, France

1990 PhD, Department of Molecular, Cellular & Developmental Biology (MCDB), University of Colorado at Boulder

1985 B.S. Honors, Chemistry, University of Oregon

Positions

2008 – Present Associate Professor of Cell and Molecular Biology, Department of Medical Education, TTUHSC-Paul L. Foster SOM

2003 – 2008 Associate Professor, Texas Tech University Health Sciences Center, Department of Cell Biology and Biochemistry

1996 – 2003 Assistant Professor, Texas Tech University Health Sciences Center, Department of Cell Biology and Biochemistry

1995 – 1996 Chargé de recherche, Department of Biotechnology, Institute Pasteur, Paris, France

Distinctions

- 12 years experience medical and graduate teaching
- Research funding from American Cancer Society and American Heart Association
- 22 research publications including *Nature*, *Cell*, *Neuron* and *EMBO Journal*
- American Cancer Society Research Scholar Award (2003)
- Centre Nationale de la Recherche Scientifique, post-doctoral fellowship (1994-1995)
- National Science Foundation (USA), post-doctoral fellowship (1993-1994)
- Ligue Nationale Contre Le Cancer, post-doctoral fellowship (1992-1993)
- Fondation pour la Recherche Medicale, post-doctoral fellowship (1991-1992)
- Phi Beta Kappa National Honor Society, Oregon Chapter (1985)
- B.S. in Chemistry with Honors, University of Oregon (1985)
