GRADUATE MEDICAL EDUCATION
Standard Policy and/or Procedure

TITLE: Non-Competition Policy

APPROVED: 9/13/19

REVISED:

EFFECTIVE DATE: 9/13/19

PURPOSE: To meet compliance requirements established by the Accreditation Council for Graduate Medical Education (ACGME).

POLICY STATEMENT: The Sponsoring Institution (SI), through the Graduate Medical Education Committee (GMEC) supports the ACGME position that residents/fellows enrolled in a training program are not required to sign a non-competition guarantee or restrictive covenant.

Residents/Fellows should be able to practice medicine after completion of training in any location with no restrictions other than their personal preference.
