Goal: The goal of this sub-internship is to prepare students applying to a residency in OBGYN with the basic skills needed on Labor & Delivery.

Description: This elective is a sub-internship in general obstetrics. The student will be on Labor & Delivery for one month (two weeks on days and two weeks on nights). There will be two 24hr call shifts the student must complete; this will occur the 1st and 3rd Friday of the rotation. The student will be part of the admitting team and work closely with the residents in caring for laboring patients. The student will participate in vaginal deliveries and assist in Cesarean sections. In addition, the student will rotate through triage.

Academic Success and Accessibility: TTUHSC El Paso is committed to providing equal access to learning opportunities to students with documented disabilities. To ensure access to this course, and your program, please contact the Academic Success and Accessibility Office (ASAO), to engage in a confidential conversation about the process for requesting accommodations in the classroom and clinical setting. Accommodations are not provided retroactively, so students are encouraged to register with the ASAO as soon as possible. Please note: faculty are not allowed to provide classroom accommodations to a student until appropriate verification from ASOA has been provided to the school and disseminated to the appropriate faculty member(s). For additional information, please visit the ASAO website: https://elpaso.ttuhsc.edu/studentservices/office-of-academic-and-disability-support-services/default.aspx.

Absence Policy: During your Sub-Internship (fourth year) a student is expected
to attend all clinical, didactic and lab simulation activities. If a student will be absent for any activity, they must obtain approval from the Clerkship Director. If the Clerkship Director determines that a student’s absence(s) compromises the student’s ability to attain the necessary competencies, they may require the student to make up days or complete alternate assignments.

If a student is going to be absent, they are required to notify: 1) the Clerkship/Sub-I Coordinator BEFORE their shift begins. Acceptable forms of notification are: email (preferred) and/or phone call. In the event of an emergency that results in an absence from Sub-Inter duties, the student must notify the Clerkship Coordinator AND the Office of Student Affairs as noted above as soon as possible.

If you are ill or unable to attend due to an unforeseen emergency, please contact Rebecca Dorris.

We look forward to you seeing on Labor & Delivery.

If any issues arise, please feel free to contact Dr. Son.

**Preparation for Teaching**
Attending faculty and residents will be oriented to the experience by the OB/GYN Sub-Internship Clerkship Director or their designee, and provided copies of the syllabus and forms that they will use to assess student performance.
Residents will be required, as part of their training and orientation, to function as teachers. All residents are required to participate in a “Residents as Teachers” program that is administered by the Office of Graduate Medical Education. In addition, each resident will be provided copies of the Medical Student syllabus with particular emphasis on goals, objectives, and assessment methods and criteria.
