1. Review Prior Meeting Minutes

General Note
Minutes were approved as written.

2. SCEC Rep Report

General Note
MS1- No Concerns
MS4-Class size expansion concern

Brower, Richard
There has been discussion of class expansion, and exploration of increasing the PLFSOM class size is a component of the current TTUHSC El Paso strategic plan. This exploration is based on currently approved and additional anticipated development of the main campus and affiliated facilities over the next 3-5 years. There are no established timelines or enrollment targets for class expansion.

3. Voting via email

General Note

- Clerkship NBME subject exams- Approved by the CEPC

Dr. Brower brought up for discussion the percentage range of students predicted to get honors (23%-42%) seems very wide.

Discussion ensued. Psychiatry scoring was considered potentially to lenient, but fell within NBME suggested ranges. EM was considered potentially too strict, but also fell within NBME suggested ranges. The CEPC decided to approve the scoring recommendations without modification and monitor the outcomes.

- Proposed New Elective #1- Approved by the CEPC.
- Proposed New Elective #2- Approved by the CEPC.
4. Department Plans for GME Prep for UME
Brower, Richard

Prep Plans will be sent out to Committee members for quick review and get feedback to discuss and approve in another CEPC meeting.
