Friday, May 6, 2022

Noon – 1 p.m.

Addressing Youth Depression and Suicide in Texas: The Role of Measurement-Based Care and the Collaborative Care Model

Presented by:

Madhukar Trivedi, M.D.

Professor of Psychiatry

Chief of the Division of Mood Disorders

Founding Director of the Center for Depression Research and Clinical Care

UT Southwestern Medical Center

Dallas, Texas

Objectives: Upon completion of this session, the participant should be able to:

- Identify the benefits of measurement-based care and its potential alongside the collaborative care model.
- Review strategies for addressing depression in the school setting.
- Address ongoing efforts in the state of Texas.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Attendance logs with entry and exit time stamps will be used to validate attendance requirements.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

All speakers and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients with the exception of:

Madhukar Trivedi, M.D., disclosed being a Consultant for Acadia Pharmaceuticals, Alkermes Inc., Myriad Neuroscience, Neurocrine Biosciences Inc., Noema Pharma AG and Titan Pharmaceuticals Inc. He is also a scientific advisor for Signant Health.
