Friday, June 12, 2020
Noon – 1 p.m.

The Natural History of Serious Mental Illness and the Importance of Early Intervention

Presented by:
Joseph Calabrese, M.D.
Professor
Department of Psychiatry
Case Western Reserve University School of Medicine
Cleveland, Ohio

Objectives: Upon completion of this session, the participant should be able to:
  • Review the natural history of the top five most common mental illnesses.
  • Explore the importance of early intervention.
  • Identify why we continue to have side effect burden after 60 years of drug development.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for the majority (minimum of half of the event), if not the entirety of the CME activity. Webex entry and exit time stamps will be used to fulfill these time stamps.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Disclosure: Joseph Calabrese, M.D., has disclosed that he or his spouse/partner is a consultant or advisor for Alkermes Inc. and SK Life Science Inc. He or his spouse/partner received research support from Janssen Pharmaceuticals Inc.

All members of the planning committee for this series have signed disclosures stating no relevant financial relationships exist with any industry support companies.

✦ The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
✦ Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
