Take the “Stress” Out of Stress Fractures: Imaging Update of Typical and Atypical Stress Fractures

Presented by:
Liem T. Mansfield, M.D.
Diagnostic Radiologist Associate, Shannon Clinic
Uniformed Services University of the Health Sciences

Objectives: Upon completion of this session, the participant should be able to:
- Identify the pathophysiology of stress fracture.
- Recognize the imaging features of stress fracture.
- Classify the common sites of stress fracture.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Attendance logs with entry and exit time stamps will be used to validate attendance requirements.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Disclosure: All planning committee members have disclosed that they have no relevant financial relationships with any companies or organizations whose products or services may be discussed.

Speaker Liem T. Mansfield, M.D., has disclosed that he is a consultant or adviser for Contemporary Diagnostic Radiology.

The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.

Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
