

Institutional Faculty Development Program 19

Program Overview and Target Audience: This educational intervention is designed to help faculty successfully apply adult teaching and learning principles in face-to-face and online learning environments. This live activity is designed for physicians, registered nurses and other interested health care providers.

This course provides knowledge and skills for effective online teaching. You will be introduced to the best practices of online teaching and learning, from record keeping and file management, to encouraging learner participation and conducting learner-centered discussions. By joining this course, you will become a better online teacher.
Asynchronous sessions are available to complement the synchronous live teleconferences.

CME Effective Dates: 10/01/2020 – 10/01/2023
CNE Effective Dates: 10/01/2020 - 10/01/2022
