

**Institutional Faculty Development Program 19**

**Program Overview and Target Audience:** This educational intervention is designed to help faculty successfully apply adult teaching and learning principles in face-to-face and online learning environments. This live activity is designed for physicians, registered nurses and other interested health care providers.

This course provides information on the approaches for how to access and navigate the TTUHSC El Paso library website. The participants will be instructed on how to use the EndNote Online, and Cite While You Write plugin in MS Word document, how to write copyright permissions, and identify predatory publishers. Asynchronous sessions are available to complement the synchronous live teleconferences.

CME Effective Dates: 11/1/2020 – 11/1/2023

CNE Effective Dates: 11/1/2020 – 11/1/2022
