Texas Tech University Health Sciences Center El Paso

Marco Rodriguez, M.S., M.Ed.
Lead Analyst
Office of Faculty Development
Paul L. Foster School of Medicine
Texas Tech University Health Sciences Center El Paso

Objectives: Upon completion of this session, participants should be able to:

1) Introduce the members of the eLearning Innovation Team (eLIT), pinpoint their skills and know how to contact them to obtain support for the creation of the eLearning courses, sessions and activities.
2) Familiarize themselves with the services offered by the Office of Faculty Development in the creation of online courses.
3) Highlight the resources available to the faculty at TTUHSC El Paso via the Office of Faculty Development for the creation of online courses and review the main features of the resources.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Policy: It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education to resolve all potential conflicts of interest prior to the activity. There are no relevant financial relationships with ACCME-defined commercial interests for anyone who was in control of the content of this activity.

There are no relevant financial relationships with ACCME-defined commercial interests for anyone who was in control of the content of this activity.

The TTUHSC El Paso Paul L. Foster School of Medicine Office of CME endorses the ACCME expectations for accredited providers regarding the Validation of Clinical Content of Continuing Medical Education. In compliance with these expectations, the Office of CME requires that all speakers/presenters for activities certified for CME credit comply with these expectations by supplying sufficient resources within the context of their presentation to attendees regarding clinical content and recommendations for patient care.

Content Validation Policy: All the recommendations involving clinical medicine in a CME activity should be based on evidence that is accepted within the profession of medicine as adequate justification for their indications and contraindications in the care of patients. All scientific research referred to, reported or used in CME in support or justification of a patient care recommendation should conform to the generally accepted standards of experimental design, data collection and analysis.

How to claim your credit: To claim CME credit, participants must log on using their full name and remain logged on for the majority (minimum of half of the event), if not the entirety of the CME activity. Webex entry and exit time stamps will be used to fulfill these time stamps.

- The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
- Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
