The Evolution of Cardiac Markers
Presented by:
Jude Abadie, Ph.D., DABCC, FAACC, DABMGG, FACMG
Associate Professor
Director, Clinical Pathology
Department of Pathology
Texas Tech University Health Sciences Center El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:
• Differentiate cardiac markers from a historical perspective.
• Describe mechanisms for release of cardiac ischemic and injury markers.
• Explain analytical methods for detecting cardiac markers.
• Identify the importance of selecting cut-points for the new hs-cTn assays.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Jude Abadie, Ph.D., DABCC, FAACC, DABMGG, FACMG, and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling or distributing health care products used by or on patients.

❖ The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
❖ Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
