Friday, March 19, 2021
7:45 – 8:45 a.m.

Eye Have the Answer!

Claudia M. Prospero Ponce, M.D.
Assistant Professor
Department of Surgery and Neurology
Texas Tech University Health Sciences Center El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:

- Identify key ocular motility deficits in localization of brain lesions.
- Improve description of ophthalmoplegias.
- Learn the work-up of most common ophthalmoplegias.
- Other updates in neuro-ophthalmology.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Webex attendance logs with entry and exit time stamps will be used to validate attendance requirements.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Disclosure: All planning committee members and speakers have disclosed that they or their spouses have no relevant financial relationships with any companies or organizations whose products or services may be discussed.

- CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
- Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodation.
