Friday, April 2, 2021
Noon – 1 p.m.

Emotional and Behavioral Disturbances after Traumatic Brain Injury: A Neuropsychiatric Perspective

Presented by:
David Arciniegos, M.D.
Professor and Senior Research Neuropsychiatrist
Department of Psychiatry and Behavioral Sciences
University of New Mexico School of Medicine
Albuquerque, New Mexico

Objectives: Upon completion of this session, the participant should be able to:
- Describe the nosology, phenomenology, and neurobiology of emotional and behavioral dyscontrol after traumatic brain injury (TBI).
- Identify persons with mood disorders, disorders of affect and behavioral dyscontrol syndromes.
- Apply a neuropsychiatric approach to the evaluation and treatment of emotional and behavioral disturbances after TBI.

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Attendance logs with entry and exit time stamps will be used to validate attendance requirements.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

Disclosure: David Arciniegos, M.D., has no relevant financial relationships to disclose with any industry support companies.

All members of the planning committee for this series have signed disclosures stating no relevant financial relationships exist with any industry support companies.

❖ The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
❖ Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
