Prevention and Management of Pain, Agitation/Sedation, Delirium, Immobility and Sleep Disruption (PADIS) Guidelines

Susan McLean, M.D., M.P.H., FACS
Professor
Department of Surgery
Texas Tech University Health Sciences Center El Paso
El Paso, Texas

Objectives: Upon completion of this session, the participant should be able to:

- Order appropriate pain management for the adult ICU patient.
- Determine the appropriate medications for agitation and sedation in the ICU patient.
- Perform a CAM-ICU assessment of ICU delirium.
- List the items in the Richmond Agitation and Sedation Scale (RASS).

Accreditation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation: The Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

To claim CME credit, participants must log on using their full name and remain logged on for a minimum of 75%, if not the entirety of the CME activity. Attendance logs with entry and exit time stamps will be used to validate attendance requirements.

It is the policy and practice of the Texas Tech University Health Sciences Center El Paso Paul L. Foster School of Medicine Office of Continuing Medical Education (CME) to resolve all potential conflicts of interest prior to the activity.

All speakers and the planners for this educational activity have no relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing health care products used by or on patients.

The Office of CME reserves the right to cancel this activity in the event of unforeseen or extenuating circumstances.
Persons with disabilities who need auxiliary aids or services may call the Office of CME at 915-215-4880 to arrange accommodations.
