J. MANUEL DE LA ROSA, M.D.

jmanuel.delarosa@ttuhsc.edu

Phone: (915) 545-6510

Jose Manuel de la Rosa, M.D., is currently the Regional Dean for Texas Tech University Health Sciences Center School of Medicine in El Paso.

Prior to assuming the position of Regional Dean, Dr. de la Rosa served in the Department of Pediatrics as an Instructor, Assistant Professor, and Associate Professor. His involvement in the community included the establishment of the Kellogg Community Partnership Clinics. He has continued his involvement in advocating for the Border by testifying before State interim committees of the Texas Legislature.

Continuing in his role as an academican at Texas Tech, Dr. de la Rosa assumed the position of Assistant Dean for Educational Programs. As part of his duties he was able to integrate his community involvement with the school-based clinics with his academic endeavor by designing an experimental curriculum in community medicine. This curriculum allowed medical student at TTUHSC-El Paso to rotate through *colonias* making them aware of the need for cultural sensitivity in the practice of medicine.

He is active on the state level with school based health center initiatives through the Texas Pediatric Society and the Texas Medical Association's Council on Medical Education.

On the national level, Dr. de la Rosa has been a Charter Member of both the National Hispanic Medical Association and the Hispanic Serving Health Profession Schools and is a recognized advocate for Hispanic issues in the medical curriculum.

Courses: *Workshop on Negotiation and Conflict Resolution*
