

TEXAS TECH UNIVERSITY HEALTH SCIENCES CENTER EL PASO,
PAUL L. FOSTER SCHOOL OF MEDICINE
2020 RESIDENCY MATCH

The Texas Tech University Health Sciences Center El Paso, Paul L. Foster School of Medicine, Class of 2020 has had a successful match process through the National Residency Match Program (NRMP). The NRMP oversees a computerized process that links choices of graduating medical students with preferences of Residency Program Directors. Results were announced on "Match Day," March 20, 2020.

All 88 members of the Paul L. Foster School of Medicine Class of 2020 were successful in the residency match. "This year's residency match outcomes for the Paul L. Foster School of Medicine are outstanding. Year after year PLFSOM students are selected into highly competitive specialties and great programs all across the country. While the national impact is impressive, we are especially pleased that 53% of our graduates matched in Texas, 57% will be entering primary care specialties, and 16 will continue their medical training in El Paso. We couldn't be more proud of this graduating class, and we wish them continued success and happiness. At the same time, we should acknowledge that these students are preparing to graduate and advance into residency under extraordinary circumstances related to a global viral pandemic -- circumstances fraught with uncertainty and concern. Yet, we are confident in their preparation, and know that they will rise to the challenges ahead," said Richard D. Brower, M.D., Interim Associate Dean for Student Affairs.

Following are the match results:

| Student Name | Location | Specialty |
|-------------------------|---|---------------------------|
| Adams, Rebecca | Natividad Med Ctr – Salinas, CA | Family Medicine |
| Agrawal, Ashutosh | Spectrum Health/MSU – Grand Rapids, MI | Radiology – Diagnostic |
| Aleman, Maria | U Washington Affiliated Hospitals – Seattle, WA | Pediatrics |
